The Tim Mc Mullen Field House

LOCKER NAMING RIGHTS INFORMATION

[Our Mission]

Since it was built in the early 1990's the Tim McMullen Field House has been the home to so many of our fall, winter and spring programs. The 1996-1997 renovation brought many significant upgrades including the first metal lockers.

Since the renovation, the Athletic Department has offered families the opportunity to mark their legacy at Broadneck by purchasing the naming rights for a locker in the field house.

The strength of Broadneck High School has always been rooted in the community that the school serves. Your generosity will help us complete a fantastic facility that the entire community can be proud of.

Thank you in advance for support,

The Broadneck Athletic Department
